

Turbo I

Wet/Dry Dust Extractor

Compact wet and dry vacuum cleaner with connection for power tools during workshop and installation use.

Product number: 9 20 35 236 09 0

Details

- > High performance turbine for 151 cfm (71 l/s) flow rate and 98.4" of water lift (245 mbar vacuum).
- > Low volume of 66 dB (A).
- > Large range due to 19 ft [6 m] power cord and 13 ft [4 m] vacuum hose.
- > Anti-static function against electrostatic charging during work – electrostatically conductive with optionally available suction hose 3 13 45 120 01 0 and tool coupling 3 13 45 300 01 0.
- > Large wheels rotate 360° for optimal maneuverability, even in tight conditions.
- > Tool coupling with suction control for easy control of suction power.
- > Autostart outlet with power-on delay to prevent current spikes.
- > Practical storage area with rim.
- > Approval for dust class L.

Price includes

- ✓ 1 tool coupling with suction control
- ✓ 1 filter
- ✓ 1 suction hose 13 ft [4 m], 1-3/8 in [35 mm] dia.
- ✓ 1 filter bag

Product feature

- ✓ Automatic on/off
- ✓ Soft-start
- ✓ Anti-static preparation
- ✓ Anti-static function: optional
- ✓ Dust class: L

Technical data

TECHNICAL DATA

Maximum power input

1,100 W

Suction capacity

151 [4,270] cfm[l/min]

Static water lift

98 [245] psi[bar]

Capacity

5.8 [22] gal[l]

Cable with plug

19.7 [6] ft[m]

Weight

17.86 [8.10] lbs[kg]

Application examples
